

East Manchester Icebergs Aquatic Club AGM

Wednesday 14th December 2011

Present – H. Riley, H. Manchester, S. Wheelden, S. Liem, B Hibbert, S.Gartside, Mr. Hielny, S. Dunsbee, C. Quinn

Apologies – J.Howse, Debbie ?

The only officer present was C Quinn, no minutes and no minutes from the last meeting were available.

Mr Quinn and Mrs Dunsbee informed the parents that if they do not come forward and help with the club then this time next year it would not be functioning.

Mr Quinn then duly resigned as chair due to work commitments and the room thanked him for his work over the past 3 years. Sarah Dunsbee agreed to take over this position for the beginning of the year until a long term chairperson can be found. All agreed.

Due to the current officers of the club not informing anyone if they wish to stand again and a lack of information and minutes for the meeting the following was agreed.

SD to write a list of help and positions needed in order for the club to function. This will be placed on the web site and on January 11th Parents will come to a special meeting to elect officers and committee members.

Note was taken of the accounts submitted by the treasurer and the head coaches report.

Both were accepted by the room as read and the recommendation by the head coach to change Wednesday evenings into 2 water polo sessions was agreed by the room. This change will take place in the New Year. Session information's will be placed on the website.

Meeting closed at 1900 hours
